

Whitsunday Provisioning carries a wider range of options than any other online supermarket in the region AND delivers 7 days a week!

The secret to having a real holiday is to **pre-order your food** and have it waiting for you when you arrive.

It's what we have been doing for holidaymakers to the Whitsundays for over 30 years. You've chosen self-contained accommodation to enjoy the convenience, freedom and cost saving of making your own meals — so we provide flexible, cost effective provisioning solutions for guests holidaying in apartments in Airlie Beach or Hamilton Island. We deliver in insulated boxes to keep your products cool and fresh, seven days a week to both Airlie and by ferry to Hamilton Island — and we do it at mainland prices.

Our range of well designed packages and meal plan options start from as little as \$29/person/day

and accommodate all budgets, tastes and dietary requirements. They remove all the fuss and hassle from meal planning and eliminate the problem of having to shop when you arrive.

If you are not keen on a packaged option, our online supermarket offers a wide range of items to choose from. We also provide a great range of delicious platters to choose from.

Whatever your needs are, we provide solutions ... you won't be disappointed!

The magic of being on holiday is eating what you normally wouldn't do at home (AND not having to cook if you can help it) so we offer an extensive range of delicious pre-prepared platters perfect for your first night or on any special occasion.
